

Chiropractic Care Plan

In order to provide affordable care without compromise, Pure Light Chiropractic has chosen not to accept any forms on insurance. We accept cash, check, or credit card. By eliminating the paperwork and not negotiating the value of your wellbeing with a third party, Pure Light Chiropractic is able to concentrate fully on you and your needs. We happily accept HSA and FSA cards and can provide an itemized receipt for insurance filing purposes.

-
- Consistency is the key to the chiropractic healing process
 - If you miss a weekly appointment, please reschedule for the same week or an extra adjustment for the next week, if possible
 - If you know that you are going to be late to your appointment, please call us or text us to let us know. We try to be as flexible as possible to accommodate your schedule, but if you are going to be more than 10-15 minutes late, we might have to reschedule your appointment.
 - If you choose the Monthly Plan & cancel before the end of your month, we will re-calculate the balance to your appointments to date & charge you the difference
 - Remember, physical changes will take time. Chiropractic is a process, not an procedure.
 - **Cancellation Policy: If you are going to cancel or reschedule your appointment, we ask that you give us 24 hours notice, so that others may benefit from your scheduled time. Barring illness or emergency. there will be a \$25 cancellation fee.**
